

# WORKFORCE DEVELOPMENT CENTER

---

The Workforce Development Center at Laredo College is dedicated to empowering students and alumni by providing career-focused resources, workshops, and essential skills. Our team collaborates with industry partners to create meaningful opportunities, including employment opportunities, internships, micro-internships and employer connections, to support career advancement and skill-building. Through personalized services and a professional, welcoming environment, we aim to help every visitor on their path to success. Visit us to explore job search tools, resume and interview assistance, and our new Career Connect portal, designed to bridge students, alumni and employers with career opportunities.
