

RETURNING STUDENTS

Students who were previously enrolled and have not enrolled at Laredo College for more than 12 months must complete a readmission process.

Students who **attended** a post-secondary institution during their time away from Laredo College:

- Submit an official college transcript from each post-secondary institution previously attended. *(If college courses are in progress at the time of submission, an updated college transcript with all completed coursework must be submitted.)*
- Submit additional supporting documentation as required for admission verification purposes.

Students who **did not** attend a post-secondary institution during their time away from Laredo College:

- Submit an official high school transcript. *(If the transcript initially submitted is not final, a final record must be submitted post-high school graduation.)*

- or -

- Submit an official copy of the General Education Development (GED) certificate of completion, *if not initially submitted.*
- Submit additional supporting documentation as required for admission verification purposes.
