

# HEATING, VENTILATION, AIR-CONDITIONING & REFRIGERATION TECHNOLOGY

---

The Heating, Ventilation, and Air Conditioning (HVAC) program at Laredo College is designed to provide students with the technical skills and knowledge necessary to excel in the HVAC industry. This comprehensive program focuses on the installation, maintenance, and repair of heating and cooling systems, preparing students for a variety of careers in residential, commercial, and industrial settings. The Laredo College HVAC program is accredited by HVAC Excellence, the leading accrediting body for HVAC educational programs, focusing on ensuring high standards in technical education and training. The accreditation is designed to validate programs that meet rigorous criteria for curriculum quality, faculty qualifications, and student outcomes in the heating, ventilation, air conditioning, and refrigeration fields

## Degrees & Certificates

Concentration in Residential Air Conditioning & Refrigeration, Certificate II (<https://catalog.laredo.edu/degree-programs-certificates/workforce-education/heating-ventilation-air-conditioning-refrigeration-technology/heating-ventilation-air-conditioning-refrigeration-certificate-residential/>)

Concentration in Commercial Air Conditioning & Refrigeration, Certificate II (<https://catalog.laredo.edu/degree-programs-certificates/workforce-education/heating-ventilation-air-conditioning-refrigeration-technology/heating-ventilation-air-conditioning-refrigeration-certificate-commercial/>)

HVACR Assistant, Certificate I (<https://catalog.laredo.edu/degree-programs-certificates/workforce-education/heating-ventilation-air-conditioning-refrigeration-technology/heating-ventilation-air-conditioning-refrigeration-hvacr-assistant-certificate/>)
