

SCHOLASTIC RECOGNITION PROGRAMS

Dean's List

The Dean's List is generated at the completion of each semester (Fall, Spring and Summer II) to recognize high scholastic achievement. Students are placed on the Dean's List when they have earned a semester grade point average (GPA) of 3.2 or higher while enrolled for 12 or more semester credit hours (SCHs) of non-developmental courses. Students who receive a grade of 'D', 'F', 'I', 'NC', or 'W' on any course will be ineligible for the Dean's List for that semester. Semester credits earned through Advanced Placement, Articulated Credit or Challenge Exams are *not* used in the calculation for eligibility into the Dean's List.

Scholastic Achievement List

The Scholastic Achievement List is generated at the completion of the Fall and Spring semesters to recognize high scholastic achievement. Students are placed on this list when they have earned a semester grade point average of 3.2 or higher while enrolled for 6-11 semester credit hours of non-developmental courses. Students who receive grades of "D,F,I,NC or W" on any course will be ineligible for this list. Semester credit hours earned through Advanced Placement, Articulated Credit or Challenge Exams are not used in the calculation for eligibility into the Scholastic Achievement List.

The Scholastic Achievement List recognition is noted on the student's academic transcript.

Honors Program

Highly motivated, intellectually gifted, academically well-prepared, unusually creative, or especially talented students need and deserve a progressive course of study that provides new challenges to their exceptional abilities. Laredo College Honors Program has always attracted serious students in the pursuit of academic excellence, community involvement, and leadership commitment. Educators at the college are dedicated to presenting students with the most stimulating educational experiences and environment possible.

Phi Theta Kappa

Phi Theta Kappa is the International Honor Society of the two-year college with over 1200 chapters internationally and 86 in Texas. To be eligible for membership, students must be enrolled in a regionally accredited institution offering an Associate Degree program; have completed at least 12 hours of coursework that may be applied to an Associate Degree (part-time students may be eligible); have a cumulative GPA of 3.5; receive an invitation to membership from the chapter at the college where presently enrolled; and must adhere to the moral standards of the society.
